**REPORT**

The applicant proposes an outdoor illuminated billboard on the north side of Hwy 43 Just west of Pickerell Avenue. The property is currently owned by the City of Corcoran.

**SURROUNDING ZONING AND USES**

	<u>Use</u>	<u>Zoning</u>
Subject	Light Industrial	IL
North	Light Industrial	IL
South	Heavy Industrial	IH
East	Light Industrial	IL
West	Heavy Industrial	IH

All businesses or Projects in the Industrial District shall be subject to standards that may be

CITY OFFICES:

required for new businesses or projects as adopted in the Corcoran Zoning Code. Standards may include, but are not limited to:

### **COMPLIANCE WITH CEQA**

The proposed project for a illuminated billboard is exempt from CEQA review pursuant to section 15061 (b) (3) of the guide lines for California Environmental Quality Act (CEQA Guidelines). This section states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects which have the potential for causing significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

### **CONDITIONAL USE PERMIT FINDINGS**

The following findings are proposed:

- (A) The portion of the property is empty and the proposed activity on the lot is exempt under CEQA 15061 (b) (3) General Rule. (No significant effect on the environment)
- (B) That the site is Light Industrial IL. The intended use is permitted in the zoning ordinance under a conditional use permit. The use will not involve any process, equipment or materials which would be objectionable to persons living or working in the vicinity by reasons of odor, fumes, dust, smoke, cinders, dirt, refuge, water carried waste, noise, vibration, illumination, glare, unsightliness, working before or after designated times, or to involve any hazard or nuisances, fires or explosions.
- (C) That the site for the proposed use is adequate in size and shape to accommodate said use and all yards, spaces, walls and fences, parking, loading, landscaping and other features required by this Title to adjust said use with land and use in the neighborhood;
- (D) That the site for the proposed use relates to streets and highways adequate in width and pavement type to carry the quantity and kind of traffic generated by the proposed use:
- (E) That the proposed use will have no adverse effects upon adjoining or other properties. In making this determination, the Commission shall consider the proposed location of improvements on the site; vehicular ingress, egress and internal circulation; paving or ground protection; setbacks; height of buildings; walls and fences; landscaping; outdoor lighting; signs; and such other characteristics as will affect surrounding property;
- (F) That the proposed use is consistent with the objectives and policies of the Corcoran General Plan, or any specific plans, or planned developments approved by the City;

### **CONDITIONAL USE PERMIT-ACTION BY THE PLANNING COMMISSION (from**

Zoning Ordinance Section 11-23-4)

The Planning Commission, by written resolution, may approve, approve with conditions, disapprove, or disapprove without prejudice a conditional use permit application.

The decision of the Planning Commission shall be final unless appealed to the City Council in accordance with the procedure outlined below. 11-27-2 (b)

No building permit or business license shall be issued where a conditional use permit has been approved or conditionally approved by the Planning Commission until such permit has been granted by the Planning Commission and after the appeal period has expired, and then only in accordance with the terms and conditions of the conditional use permit granted and only if the approval or conditional approval of the conditional use permit by the Planning Commission has not been appealed to the City Council pursuant to the procedure specified in Section 11-27

**CONDITIONAL USE PERMIT-APPEAL TO THE CITY COUNCIL** (Section 11-27)

In case the applicant or any other party is not satisfied with the action of the Planning Commission he may, within ten days after the date of the adoption of the Planning Commission resolution, file in writing with the City Clerk an appeal to the City Council. The appeal shall state specifically wherein it is claimed that there was an error or abuse of discretion by the Planning Commission, or whereby its decision is not supported by the evidence in the record.

The City Council shall set a date a date for the public hearing and shall post notices as set forth in Section 11-27.3 (e). The date for the public hearing shall not be less than ten nor more than thirty days from the date in which the appeal was filed.

By resolution, the City Council may affirm, reverse or modify a decision of the Planning Commission, providing that the City Council make the findings prerequisite to the granting of a conditional use permit as required in Section 11-27.

The decision of the City Council shall be final, and shall have immediate effect.

**TIME LIMIT FOR DEVELOPMENT-RENEWAL RESTRICTIONS** (Zoning Ordinance Section 11-23-4)

A conditional use permit shall lapse and become void one year following the date on which the conditional use permit became effective unless by conditions of the conditional use permit a lesser or greater time is prescribed, or unless, prior to the expiration, either the use is being diligently pursued in accordance with the conditional use permit, or a building permit is issued by the Building Official and construction is commenced and is being diligently pursued in accordance with the conditional use permit. A conditional use permit may be renewed for an additional period of one year or for a lesser or greater period as may be specified, provided that an application for renewal is filed with the Planning Commission prior to the expiration of the time period granted. The Planning Commission, pursuant to the procedure set forth in Section

11-23-4, may grant or deny an application for renewal.

A conditional use permit shall lapse and become void if there is discontinuance for a continuous period of six months of the exercise of rights granted under said permit.

### **NEW APPLICATION**

Should the Planning Commission deny an application for a use permit, no application for a use permit for the same or substantially the same use on the same or substantially the same site shall be filed within six (6) months from the date of denial or revocation of the use permit, except when the Planning Commission denies "without prejudice".

### **USE PERMIT TO RUN WITH THE LAND** (Zoning Ordinance, Section 11-25-8).

A use permit granted pursuant to the provisions of this Chapter shall run with the land and shall continue to be valid upon a change of ownership of the site or structure which was the subject of the use permit application.

Any expansion of the use or structures or area associated with such use not originally approved in the conditional use permit shall require a modification to the conditional use permit through the public hearing process.

### **REVOCAION**

Upon violation of any applicable provisions of this Code, or, if granted subject to a condition or conditions, upon failure to comply with the condition or conditions, a use permit shall be suspended automatically. Notice of such suspension shall be sent immediately to the person or persons responsible for noncompliance by the Planning Department. Within thirty (30) days of the suspension, the City Council shall consider the suspension. If not satisfied that the regulation, general provision, condition or conditions are being complied with, the City Council may revoke the use permit or take such action as may be necessary to ensure compliance with the regulation, general provision, condition or conditions. Before acting on the suspension, the City Council may refer the matter to the Planning Commission for a report and recommendations.
